### Description :

Prsentation de l'diteur\*DISCLAIMER\* This is not a dark romance. There will be minimal angst or drama. There will be lots of laughs, frequent dropping of the F-bomb, and crazy monkey sex. You know how people say they woke up in Vegas married and you're like, how the hell could that possibly happen? Who does that? Well, us apparently and the press is having a field day. Let's not even get started on the topic of my mother.

Then there's my grandpa wanting to meet my new husband--that's not scary at all. On top of that, we're heading out on tour and I'm a nervous wreck--factor in the fact that Jesse's newly changed marital status doesn't seem to be an issue for the groupies. Nothing deters them. Not even the fact that I'm standing right there when they proposition him.I can handle the press, my mom, and even my grandpa. But the women who are ruining my current mood of "happy", well, they've got another thing coming. It's time to put these

women in their place because nobody messes with my happily ever after. Lucy and Jesse continue in Blush, Rockstar #2. Prsentation de l'diteur\*DISCLAIMER\* This is not a dark romance. Lucy and Jesse continue in Blush, Rockstar #2. Biographie de l'auteur First and foremost I am an avid reader of romance. I read every single day. Without reading I wouldn't be inspired to write. The same can be said about music. I started reading with Nora Roberts and Sandra Brown's LoveSwept titles forever ago and went from reading solely traditionally published to reading nearly all indie authors. I still read my Nora and a few others. A must. I started seriously writing about six years ago when the need to get the stories that are stuck in my head on paper became overwhelming. I hope you enjoy reading my stories as much as I enjoy writing them. I'm a huge fan of music, chocolate, fruit, Fall, Matt Shadows, Avenged Sevenfold, and Milo Ventimiglia.
