**Description :**

Prsentation de l'diteurFans of The Great Gatsby are in for a treat! Included in this F. Scott Fitzgerald bundle: This Side of Paradise, The Beautiful and Damned, The Diamond as big as The Ritz and The Curious Case of Benjamin Button.

This Side of ParadiseFirst published in 1920, F. Scott Fitzgeralds debut novel was a sizzling sensation that put the young American author on the map. Its initial printing of 3,000 copies sold out in three days. Virtually a record of the Lost Generation in its college days, the novel explores Fitzgeralds characteristic theme of true love blighted by money lust and is remarkable for its honest and detailed descriptions of the early Jazz Age. The Beautiful and DamnedFirst published in 1922, F. Scott Fitzgerald's second novel portrays the Eastern elite during the Jazz Age, exploring New York Caf Society. The story is believed to be largely based on Fitzgerald's stormy relationship with Zelda Fitzgerald. This is the tale of young couple Anthony and Gloria Patch living out their days to the hilt in New York City as they await the death of Anthony's grandfather, Adam Patch from whom they expect to inherit his massive fortune. They drink and eat in the classiest restaurants and hotels, rent the most expensive apartments, travel out to the West in the spring time driving plush cars, wearing top-of-the-line clothing and just generally living it up high on the hog, as they wait. But as time goes on their lust for life and their similarities threaten to destroy their innocence and their relationship. The Diamond as big as The RitzFirst published in the June 1922 issue of The Smart Set magazine, The Diamond as big as The Ritz is one of F. Scott Fitzgeralds under-rated masterpieces. The story was initially rejected by publishers because of its not-so-subtle satirical messages about American capitalism. Here it is, Fitzgeralds rarely talked about gem of a short story, fully remastered for the Kindle and beautifully illustrated with vintage advertisement art from the early 1920s. The Curious Case of Benjamin ButtonThe classic short story presented with period art specially formatted for the Kindle.

Benjamin Button was first published in Colliers Magazine on May 27, 1922. It was subsequently anthologized in Fitzgerald's book Tales of the Jazz Age.' This is the original version of the story used for the 2008 film starring Brad Pitt.
