### Description :

Prsentation de l'diteurLucy has always been a good girl. The most hardcore thing she's done in her life was falling for a divorced man ten years her senior. But he was the love of her life, and she married him. When her Peter Pan of a husband decided to divorce her, she thought it was her chance to start anew. That was until she was diagnosed with breast cancer. Besides looking like Britney circa 2007, she is taking it well, real well. You might see her walk around the hospital during chemo sessions with bright colored wigs and outrageous t-shirts that seem to shock the most conservative employees.
