[Pdf free] Germinal

Par mile Zola : Germinal before purchasing it in order to gage whether or not it would be worth my time, and all praised Germinal:

Description :

Prsentation de l'diteurZola's masterpiece of working life, *Germinal* (1885), exposes the inhuman conditions of miners in northern France in the 1860s. By Zola's death in 1902 it had come to symbolise the call for freedom from oppression so forcefully that the crowd which gathered at his State funeral chanted 'Germinal! Germinal!'.The central figure, Etienne Lantier, is an outsider who enters the community and eventually leads his fellow-miners in a strike protesting against pay-cuts - a strike which becomes a losing battle against starvation, repression, and sabotage. Yet despite all the violence and disillusion which rock the mining community to its foundations, Lantier retains his belief in the ultimate germination of a new society, leading to a better world.*Germinal* is a dramatic novel of working life and everyday relationships, but it is also a complex novel of ideas, given fresh vigour and power in this new translation.ABOUT THE SERIES: For

over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Revue de presse 'masterpiece' Oxford Times 'A good translator uses the language of his day; the original text remains fixed, but translations must move with the times. Collier's, though differing from, and not always improving on, Tancock's, is likely to have the same startling effect on the reader coming fresh to it today as his predecessor's had forty years ago.' F.W.J. Hemmings, *French Studies*, Vol. 48, Part 4

Presentation de l'oeuvre Zola's masterpiece of working life, *Germinal* (1885), exposes the inhuman conditions of miners in northern France in the 1860s.
