REVIEWS:"I read Dark Horse by J.R. Rain. He's the author of Moon Dance, that I reviewed last column. The author is a private investigator, and it shows; this is another fast moving and entertaining detective story. Rain is surely destined for larger success, if he can get the right break; his fiction is fun reading."

PIERS ANTHONY, bestselling author of Xanth"I finished Dark Horse late last night. I enjoyed it immenselyvery good story, J.R.! I really liked your dialogue, which kept me chuckling each time I sat down to read the book. Add great character and scene descriptions and a well-paced plot, and you've got a gripping story indeed. I can honestly say your book was as entertaining as anything I've ever read from Patricia Cornwell. I can easily see Dark Horse moving to the big screen!"

AIDEN JAMES, bestselling author of Plague of Coins"Dark Horse is one of the best books I've read in a long time! A great classic detective story with a modern twist. Unique and interesting characters (I think I'm half in love with Jim Knighthorse now!), a great plot that kept me guessing until the end, and some of the funniest lines I've read anywhere. Rain does an amazing job of blending suspense, mystery and humor in this fantastic debut novel destined for the keeper shelf."
