Description :

Prsentation de l'diteurXan Valentine, the rock star that Rolling Stone called sex incarnate, stands in the spotlight every night and sings love songs to the women in the audience. They swoon. They scream. They believe him. Georgie doesn't.They didn't see him nearly beat two men to death until someone pulled him off. Theyve never seen the coldness in his dark eyes while he sat across a table, negotiating a contract that broke

their hearts. Hes never stolen into their bedroom at night, slid into their bed, and made love to them until dawn, and hes never treated them like it never happened while the bitemarks on their backs and thighs were still sore. Theyve never seen him play the violin like an angel. Or a demon. Georgie is officially in his band now, playing the keyboards, and every concert drives the music deeper into her soul. If Georgie leaves the protection of the band and Xan Valentine, the Russian mafia will kidnap and kill her. If she stays and plays in his band for just a few more weeks, Xan will pay for her college and law school. If her heart can survive even one more night with him. Biographie de l'auteur Blair Babylon is the nom de plume of an award-winning, USA Today bestselling author who used to publish literary fiction.

Because professional reviews of her other fiction usually included the caveat that there was too much deviant sex and too much interesting plot, she decided to abandon all literary pretensions, let her freak flag fly, and write hot, sexy, erotic romance and wild, suspenseful thrillers, science fiction, and urban fantasy.
