Prsentation de l'diteurONE OF AMAZON'S TOP 100 NOVELS OF 2015, a NEW YORK TIMES BEST SELLER, AN AMAZON TOP 10 BEST SELLING THRILLER, AND WINNER OF A NATIONAL "BEST THRILLER" AWARD, the enthusiasm for this novel has been overwhelming. MIRACLE MAN is a medical/conspiracy/psychological thriller that explores extraordinary genius, Big Pharma corruption, CIA machinations, metaphysical forces, and one man's tireless quest at terrible cost to validate his life. MIRACLE MAN FEATURES A READERS CLUB GUIDE. ---The victim of an unspeakable crime, an infant rises to become a new type of superhero. Unlike any that have come before him, he is not a fanciful

creation of animators, he is real. So begins the saga of ROBERT JAMES AUSTIN, the greatest genius in human history. But where did his extraordinary intelligence come from and why do so many want to destroy him? Aided by two exceptional women, one of whom will become his unlikely lover, Austin struggles against abandonment and betrayal. But the forces that oppose him are more powerful than even he can understand. Robert James Austin is REVERED by many and REILED by some. But none can doubt that he is REMARKABLE. "The story of Robert James Austin proves the talent of William R. Leibowitz.

Rushing like a river in a torrential rain, Miracle Man stuns and entertains, swivels and twirls above and beyond that which we know. Absolutely brilliant in plot and characters, I could not put this novel down for even a second. This novel pulses and throbs with a story that proves both vulnerable and heart breaking. Brilliantly written, utterly entertaining and un-put-downable, Miracle Man is one of those novels that cannot be missed. STUNNING." --The Broads"Underpinned by a clever and sophisticated plot, high voltage action makes for a genre busting thriller in Miracle Man by author William R. Leibowitz. A highly original and absorbing read, he brings a unique literary voice. Superbly written, and faultlessly executed, Miracle Man will raise much interest in Leibowitz and rightly single him out as an author to watch." ---Book Viral"--And so a gripping novel of psychological tension becomes much more than your usual 'medical thriller', and is a pick for any who want high octane action and emotionally-charged reading right up to an unexpected, gripping conclusion." --Midwest Book "This is a magnificent story. Miracle Man is destined to be a best seller. I gave it one of my very rare A+ ratings. This is a dramatically superior novel." ---blogcritics.org"The Only Book You Should Be Reading Right Now" --- William R. Leibowitz is a mastermind storyteller and his lead character, Robert James Austin, becomes so alive on the pages. The aching realness of him is what sets this book apart from other stories with superheroes or anti-heroes. This book is incredible." ---

Biographie de l'auteurWilliam R. Leibowitz has been practicing entertainment/media law in New York City for a number of years. He has represented numerous renown recording artists, songwriters, producers and many of the leading record companies, talent managers, merchandisers and other notable entertainment businesses. William has a Bachelor of Science degree from New York University (magna cum laude, Phi Beta Kappa) and a law degree from Columbia University. He lives in the village of Quogue, New York with his wife, Alexandria, and dog, George. William wrote Miracle Man because of its humanistic and spiritual messages and because he feels that in our current times--when meritless celebrity has eclipsed accomplishment and the only heroes are those based on comic books, the world needs a real hero--and that, of course, is Robert James Austin, the protagonist in Miracle Man.
