Description :

Prsentation de l'diteurMeet Edinburgh Detective Inspector Liz Kavanaugh, head of the Innovative Crimes Investigation Unit, otherwise known as the Rule 34 Squad. They monitor the Internet for potential criminal activity, analyzing trends in the extreme fringes of explicit content. And occasionally, even more disturbing patterns arise Three ex-cons have been murdered in Germany, Italy, and Scotland. The only things they had in common were arrests for spammingand a taste for unorthodox entertainment. As the first officer on the scene of the most recent death, Liz finds herself sucked into an international investigation that isnt so much asking who the killer is, but whatand if she doesn't find the answer soon, the homicides could go viral.Revue

de presse'Bristles with sharp, satirical wit' TELEGRAPH 'Cracking near-future crime laced with humour that's exquisitely wrong' CHRIS BROOKMYRE 'A savvy, funny, viciously inventive science fiction novel that combines police procedure with the dark side of nerd culture to produce a grotesque and gripping page-turner' CORY DOCTOROW 'Charles Stross is a grandmaster of that most difficult science-fictional era, the near future. His novel, Rule 34, is a seamlessly transformation of our near-term everyday world into serious strangeness' VERNOR VINCE, Hugo Award-winning author 'Dazzling, chilling and brilliant' KIRKUS REVIEWS --VariousYou won't look at the internet in quite the same way again after reading this A diamond-sharp piece of SF... a seriously entertaining and twisted crime thriller SFX Weird and wonderful... a dizzying whirl of insights, beautiful and addictive.
