Description :

Prsentation de l'diteurScarface is one of the most quoted movies of all time. Every thirty-seven seconds, 24 hours a day, someone somewhere around the world does a bad Tony Montana impression. The movies dialogue litters the lyrics of gangsta rap. Lines like Dont get high on your own supply and Every day above ground is a good day have bled into the lexicon and become proverbial. Its hard to think of another film that was dismissed by the majority of critics and moviegoers when first released but still has had the same

cultural impact as Scarface. Presentation de l'diteur Scarface is one of the most quoted movies of all time.
