## Description :

Prsentation de l'diteurBladed Magic: A Colbana Files PrequelFor the first time in her life, Kit Colbanas life was going just fine. Then she finds herself tangled up with a green-eyed witch by the name of Justin. Hes looking for somebody and for some bizarre reason, he seems to think she can help. All she has to do is say no, and she can go back to her safe little existence. Thats exactly what she needs to do and she knows it. Too bad shes not very good at following her own advice. Book 1: Blade SongKit Colbanahalf breed, assassin, thief, jack of all tradeshas a new job: track down the missing ward of one of the local alpha shapeshifters. It should be a piece of cake.So why is she so nervous? It probably has something to do with the insanity that happens when you deal with shiftersespecially sexy ones who come bearing promises of easy jobs and easier money.Or maybe its all the other missing kids that Kit discovers while working the case, or the way her gut

keeps screaming shes gotten in over her head. Or maybe its because if she failsshes dead.

**Book 2: Night Blade** Kit Colbana has a knack for finding trouble. This time, though, trouble finds her. People on the Council are dying left and right and shes been requested to investigate the deaths. The number one suspect? Her lover, Damon. If she doesnt clear his name, he gets a death sentence. Even if she succeeds? They still might try to execute him. Oh, and shes not allowed to tell him about the case, either. The stakes are higher than theyve ever been. Kit may be forced to pay the ultimate price to save her lovers life a price that could destroy her and everything she loves.

**Book 3: Broken Blade** Kit Colbana: assassin, thief, investigator extraordinaire. Now broken. Haunted by nightmares and stripped of her identity, shes retreated to Wolf Haven, the no-mans land where she found refuge years before. But while she might want to hide away from the rest of the world, the rest of the world isnt taking the hint. Dragged kicking and screaming back into life, Kit is thrust head-first into an investigation surrounding the theft of an ancient relic one that she wants nothing to do with. Forced to face her nightmares, she uncovers hidden strength and comes face to face with one of the worlds original monsters. If she survives the job, she wont be the same and neither will those closest to her.
