Description :

Prsentation de l'diteurThe Fall of Five is the heartstopping fourth installment in the Lorien Legacies series by Pittacus Lore.I thought things would change when I found the others. We would stop running. We would fight the Mogadorians. And we would win.But I was wrong. Even though we have come together, we barely escaped from them with our lives. And now we're in hiding, figuring out our next move.The six of us are powerful - but not strong enough to take on their entire army. We haven't discovered the full extent of our Legacies. We haven't learned to work together. Time is running out, and there's only one thing we know for certain: We need to find Number Five before they do.They caught Number One in Malaysia.Number Two in England.And Number Three in Kenya.I am Number Four. I was supposed to be next.But I'm still alive.This

battle is far from over. The first book in Pittacus Lore's Lorien Legacies series, *I Am Number Four*, is now a major Disney motion picture, and along with *The Power of Six* and *The Rise of Nine*, perfect for fans of *The Hunger Games*.
Revue de presse There's genuine suspense...it's easy to get lost in the world of the sweet teen from another planet. --Chicago Tribune
