## Description :

Prsentation de l'diteurThe Reverend Oxford Christie is called to the nondenominational Church of the One Soul in Philadelphia. But...what happened to the congregation? No one has joined the church for many years. The previous ministers portrait is now hanging in the basement far from all eyes. Though there is a cemetery, there are no graves for the spouses of the remaining members. Something sinister has taken over the church. But those left behind wont talk about it. Angel, the church secretary, is clearly hiding something. Nehmi, the caretaker, lurks about, watching Oxs every move. Ammah, a visitor, sneaks in and sits in the back pew, never talking to anyone. What is found in the deep recesses of this sanctuary will haunt
