shatter this family for good or can they find a way to mend their broken hearts? *Revue de presse* Jane Green is women's fiction royalty, and after a dozen novels she's still head and shoulders above the average chick-lit author. She not only creates the characters who seem real, but she makes you care about the characters you don't even like . . . A compelling family drama (*Heat*) A heartbreaking tale of love and family, this is a truly compelling story (*Closer*) A compulsive and moving read about motherhood (*Good Housekeeping*) If you've sold over 10 million books, you've either worked at Waterstones for a very long time or you're something of a literary phenomenon. Jane Green is definitely the latter and her latest novel is an emotionally-charged tale about a woman who finds love can be a double-edged sword when it comes with a stepdaughter who wishes you weren't there (*Bella*) A gripping and emotional read (*Star*) *Présentation de l'auteur* Ever wanted a ready-made family?
